## 6. New Business/Upcoming events

- *2017 Fundraising Ideas – Claire Kang*

Corinne will not be chair next year, and we are looking for a fundraiser with a significant reduction in volunteer hours.

A donation drive was suggested and discussed.

It was suggested that we ask the SOAR Senate students for their ideas around fundraising.

Another possibility is to host dine out nights – Firehouse Subs will give 20%, Panda Express will also host evening events like this. There was support to pursue this type of event.

- *Treasurer Transition – Annie Miga*

Kandace Barnes, current treasurer has a new job that has made the duties of the treasurer difficult to fulfill. Susan Newton was nominated to assume the duties of the treasurer. The vote to approve Susan as our new treasurer was unanimous in favor of Susan assuming the treasurer role and she will transition in as Treasurer, effective immediately.

- *Box Tops Contest – Annie Miga*

Last week to turn in box tops, doesn't look like they will make the goal to earn crazy hair day.

- *Talent Show – Larissa Brandenburg*  
Auditions will be held soon. The talent show will be held April 27<sup>th</sup>. Entrance fees and donations for copies of the videos go to support Packs for Kids
- *Spring Carnival – Annie Miga*  
June – needs a chair, and planning needs to start soon to make this event happen.

We need to check with AIM about coverage of inflatables. Does the school district insurance cover this? Can we get a rider? Kandace will look into the insurance issues.

- *Clothes for the Health Office – Annie Miga*  
Clothing is needed for our students to change into when they get wet or dirty. If you have some pants from sizes 6-12, the health office would love your donations.

A discussion was held on how to get more parents involved in PTSA events.
